

ONLINE EDUCATIONAL PROGRAM RELATED TO WASTE

Consortio de Residuos de Navarra

ONLINE EDUCATIONAL PROGRAM RELATED TO WASTE ACTIVITY AND DESCRIPTION	LINK	AIMED AT						
		PRIMARY						E.S.O.
		1º	2º	3º	4º	5º	6º	
<i>“Jigsaw puzzles: Recycling team”</i> In this activity you can find 8 fun puzzles to learn how to recycle.	Click here							
<i>“Learn how to reuse”</i> The reuse of materials is an activity that we can put into practice by making toys with reused elements that we can find at home.	Click here							
<i>“Where do I put each piece of waste?”</i> A personalised game for each of the different collection systems in each of the municipalities. The pupils will have to drag different types of waste to the corresponding container.	Click here							
<i>“Waste transformation processes”</i> With this activity they will learn in a very fun and visual way how the materials we throw in the containers are transformed into other products.	Click here							
<i>“Waste quiz”</i> With this quiz you can test your relatives and see how much they know about waste and at the same time learn and have fun together.	Click here							
<i>“Recycling Pictionary, Taboo and Password games”</i> By means of a series of cards we can play any of the 3 games as a family and learn interesting facts about waste prevention and management.	Click here							
<i>“Videos, texts y news”</i> A group of videos, texts and news related to waste, climate change or circular economy are presented. Each of them defines the duration, the recommended educational level, as well as a short questionnaire on the contents of the videos.	News Videos							
<i>“Waste word search” (Pasapalabra)</i> In this activity you can play the waste pasapalabra and compete with your family or friends to see who knows the most and who can solve the roulette wheel the fastest.	Click here							
<i>“Waste-free shopping”</i> In this interactive presentation, students will have to complete their shopping list by scrolling through a virtual supermarket. They will be presented with various shopping options and information about the pros and cons of each option.	Click here
